11. GOVERNING LAW

This License Agreement shall be governed by and construed in accordance with Pennsylvania law without regard to conflict of law provisions thereto, and as to matters affecting copyrights, trademarks and patents, in addition, by applicable United States federal law. 14. EQUITABLE RELIEF

It is agreed that because of the proprietary nature of the Hardware and the Software, Black Box and its licensors' remedies at law for a breach by the Licensee of its obligations under this License Agreement will be inadequate and that Black Box and its licensors shall, in the event of such breach, be entitled to, in addition to any other remedy available to it, equitable relief, including injunctive relief, without the posting of any bond, and in addition to all other remedies provided under this License Agreement or available at law.

You shall defend, indemnify and hold harmless Black Box, its parent companies, subsidiary companies and companies under common control therewith, and its and their officers, directors, employees, agents, representatives, attorneys, subcontractors, vendors and suppliers, from and against any and all claims, damages, losses or expenses, including, without limitation, attorneys' fees, and amounts paid in settlements of claims or suits, which arise out of your failure to abide by this License Agreement.
